

TAILWIND
Resource Group

CAPABILITIES

As a 100% Woman-Owned Small Business (WOSB), Tailwind is ONE trusted partner specializing in empowering government and commercial sectors with cutting-edge cybersecurity solutions. We help customers by simplifying the process of finding, procuring, and delivering successful technologies. Our commitment extends beyond transactions as we focus on building trust, showcasing our capabilities, and consistently delivering on promises. Upholding these values has resulted in a high rate of repeat business from satisfied customers and fostered enduring loyalty from our valued partners.
